## good friday fasting & abstinence

**Good Friday** is a day of fasting. On days of fasting, one full meal is allowed. Two lesser meals, sufficient to maintain strength, may be taken according to one's needs, but together they should not equal another full meal. Eating between meals is not permitted. Catholics who have completed their 18th year are bound by this law until the beginning of their 60th year

The obligation to observe, as a whole or "substantially," the penitential days specified by the Church is a serious obligation. The Code of Canon Law states: *"On these days (of Penance), the faithful are in a special manner to devote themselves to prayer, to engage in works of piety and charity, to deny themselves, by fulfilling their obligations more faithfully and especially by observing the fast and abstinence..."*
