It's Cool in the Furnace

Our musical for this year will be *It's Cool in the Furnace*. This funny retelling of the story of a Godly guy named Daniel, his three side-kicks, Shadrach, Meshach and Abednego, and King Nebuchadnezzar and a fiery furnace is about as cool as it gets. So too is this classic children's musical that recounts this captivating tale with humor, action, and spiritual heart. The dramatic music, at times lively, jazzy, and thoughtful, makes this story exciting and moving. The final production will be fun for participants and audience alike!
