Letter from our Pastor

An Extraordinary Parish for Ordinary People

Dear Friends in Christ,

Te splendor is a Latin hymn written for the Feast of Saint Michael the Archangel by Rabanus Maurus (c.780-856). We offer it to you today as a beautiful meditation on the feast today!

O Jesu, lifespring of the soul,
The Father's power, and glory bright!
Thee with the angels we extol;
From Thee they draw their life and light.

Thy thousand thousand hosts are spread
Embattled o'er the azure sky;
But Michael bears Thy standard dread,
And lifts the mighty Cross on high.

He in that sign the rebel powers
Did with their dragon prince expel;
And hurl'd them from the heaven's high towers
Down like a thunderbolt to hell.

Grant us with Michael still, O Lord,
Against the Prince of Pride to fight;
So may a crown be our reward,
Before the Lamb's pure throne of light.

To God the Father glory be,
And to his sole-begotten Son;
The same, O Holy Ghost, to Thee,
While everlasting ages run.

Ant. Most glorious Prince, Michael the Archangel, be thou mindful of us; here, and in all places, pray for us to the Son of God most high.

V. I wilt sing praises to Thee, my God, before the Angels.
R. I will adore Thee in Thy holy temple, and praise Thy Name.

Let us pray.

O God, who in the dispensation of Thy providence dost admirably dispose the ministry of angels and of men; mercifully grant that the Holy Angels, who ever minister before Thy throne in heaven, may be the protectors also of our life on earth. Through Jesus Christ our Lord.

In Christ,

Fr. Christopher E. Smith

spiritual adoption of a pregnancy

The Respect Life Ministry asks members of the parish to *spiritually* adopt newly pregnant women so that they will have the courage to choose life and carry their baby to term. To spiritually adopt is a commitment to pray for the mothers until 25 December. Contact Pam at 864.233.6200 to enroll.

- **Gestation Week 28:** Your baby's eyesight is developing, which may enable them to sense light filtering in from the outside. They can blink and their eyelashes have grown in. Other senses of hearing, smell and touch are developed and functional. During this trimester, the brain will triple in weight. The cerebrum will develop deep, convoluted grooves that provide extra surface area without taking up more room in the skull. Your baby's autonomic nervous system (which controls involuntary movements) is taking on new tasks. It is starting to control your baby's body temperature and managing rhythmic breathing movements, which develop and strengthen your baby's lungs. Psalm 139:14 - *I praise you, for I am fearfully and wonderfully made*
